Did you know that one of Iowa's treasures, a scenic byway, runs through Northwest Iowa? The Glacial Trail Scenic Byway runs through the counties of Clay, O'Brien, Cherokee and Buena Vista. A great opportunity to explore this byway is coming soon!

Bring your friends and family. A "Trek the Trail" event is being planned by the Glacial Trail Scenic Byway Committee. The event is set for Saturday, June 26 from 10:00 a.m. until 2:00 p.m.

Games, crafts, food, reinactors, museums, and fun stations will be set up along the 36 mile loop. Activities will be offered at the Prairie Heritage Center, Waterman Prairie, Dog Creek Park, Martins Access, Linn Grove, Peterson and other areas. Join in the fun by starting at any of these locations.

A byway representative will give a passport and list of activities. Travel at your own pace and visit the areas or activities that interest you. At each of the locations that you visit, you can have your passport stamped. As you complete your trek, stop by the Prairie Heritage Center to present your passport and pick up a prize. While at the center, complete a short survey and your name will be entered into a grand prize giveaway.

Trek the Trail is sure to be an adventure for people of all ages. Make plans to attend today! For more information, call the Prairie Heritage Center at 712-295-7200 or visit www.iowalakesrcd.org. Any weather cancellations will be announced on the radio prior to 9:00 a.m. on the day of the event.
